

Project ID:

J26-IT-334

1. Topic (12 words max)

Integrated Flood and Landslide Risk Assessment and Response System for Sri Lanka

2. Details of Group Members (E.x:- IT12345678 - Perera A.B.C.)

IT23280892 -Sinhlagoda S.A.U.R.A.V

IT23394124 – Bagya R M S

IT23317512 - Prathibhani Y.L.O.L

IT23411562 - Palihena M.B

3. Summary of required dataset

Our Project requires multi-source geospatial and tabular datasets across four integrated components:

Landslide Assessment: DEM/slope, soil classification, geology, land use, drainage network, rainfall intensity, soil moisture, building footprints, population exposure, road network, and historical landslide inventory — from Survey Department, NBRO (LRRMD), Dept. of Meteorology, Dept. of Agriculture, GSMB, and Census & Statistics.

Flood Assessment: historical flood/damage records, river water level, rainfall, DEM, land use, satellite flood-extent imagery, and administrative/river-network layers - from DMC, Irrigation Dept., Dept. of Meteorology, Survey Dept., and Copernicus/USGS.

Early Warning Decision Support: flood/landslide hazard outputs, rainfall triggers, population exposure & vulnerability, hospital/shelter locations, and road/admin layers - combining model outputs with Ministry of Health, DMC, and RDA data.

Emergency Response & Logistics: ambulance/hospital/shelter data, relief stock records, full road graph, road/bridge damage, population-age structure, and past disaster/PDNA reports - from Ministry of Health, DMC/NDRSC, RDA, and Census & Statistics.

Formats: raster (GeoTIFF), vector (shapefile/GeoJSON), and tabular/time-series (CSV/API), sourced mainly from Sri Lankan government institutions, supplemented by open satellite datasets (Sentinel, Landsat, SRTM, WorldPop).

4. External Organization / Institute details (Include Name of the Organization with address, Contact person's name and the designation)

National Building Research Institute(NBRI) - 99/1, Jawatta Road, Colombo 05, Sri Lanka

Contact Person - Mr. Chinthaka Rathnasiri ,+94 112 588 946 (Ext: 640)

Fax:+94 112 502 611

chinthaka@nbri.gov.lk/chinth1984@gmail.com

mapping.lrrmd@nbri.gov.lk

5. Does the Supervisor agree to collect the data from the above mentioned organization / Institute?

Yes		No	
-----	--	----	--

6. Supervisor's Comment:

7. Supervisor details (Don't place e-signatures)

Date	Title	Name	Signature
